

Better Built Heating & Cooling Inc.

**You should ask
when selecting a
Heating & Cooling
company...**

What distinguishes a
Heating & Cooling
company from another?
This Checklist will ensure
that you are asking the
right questions:

Do They Have Good
References?

Better Built enjoys one of the best
reputation around. Our company is
referred exclusively by experts in our
industry.

Are They Well Educated in
Their Field?

At **Better Built** we routinely attend
seminars and educational events to
stay on the cutting edge of our
industry.

What Systems Do
They Use?

The process our company
uses are the most
advanced, highest quality
available.

Do You Get What You Pay For?

Never select a **Heating & Cooling** company based on price. A low-priced service can actually cost you more in the long run. **Better Built** charges a fair price compared to other companies. It's impossible for a company to provide an outstanding service experience if they can't afford quality employees, equipment, and training.

Do They Offer a Referral Rewards Program?

We like to reward our loyal customers by offering a **Referral Rewards Program**. For every NEW client you refer to **Better Built Heating & Cooling**, we will send you a gift card.

Do They Guarantee Their Work?

At **Better Built**, we offer a **100% money-back guarantee**. If you are not completely thrilled with the service experience you received from our company, we will rush to remedy the situation. If you are still unimpressed, you owe us nothing and we will provide a 100% refund.

Save \$\$\$ by Enrolling in our V.I.P Maintenance Program!

By enrolling in our **V.I.P. Maintenance Program** your unit will run more efficiently and you can prevent some major repairs by catching minor problems before they turn into major disasters! You will experience Energy Savings by having a properly maintained unit.

Experience

Many businesses promise excellent customer service... at **Better Built**, it is our **PASSION!**

At **Better Built Heating & Cooling**, we believe that every person deserves to have a healthy and comfortable indoor environment. We're dedicated to providing indoor air quality solutions that help our clients take control of their indoor air quality and create a space where they can thrive.

We're **passionate** about improving indoor air quality because we know how much it impacts people's lives.

When our clients choose us, they're taking an important step towards creating a healthier, more comfortable environment for themselves and their loved ones.

Our goal is to **empower our clients** to make informed decisions about their indoor air quality. We do this by providing exceptional service, utilizing the latest technology and employing skilled professionals. We promise to be there for our clients every step of the way, from the initial consultation to ongoing maintenance and support.

We **believe** that our **dedication** to indoor air quality will result in healthier, happier and more productive individuals and businesses. We are committed to providing superior indoor air quality solutions that make a **positive impact** on the lives of our clients and their loved ones.
